

### Golf Registration

Routed through the Black Hills terrain and located within minutes of Rapid City, the Red Rock golf course features lush fairways, surrounded by native grasses and tall ponderosa pine trees. Dramatic elevation changes, links-style bunkers and USGA specification greens characterize the 7,000-yd, par-72 championship golf course.

The Golf Club at Red Rock has been designed to provide an exceptional Black Hills golf experience to both the casual golfers and the more demanding player. With a minimum of four tee placements per hole, players of all levels can enjoy a challenging and exhilarating world-class golf experience at the Golf Club at Red Rock.
