

North Dakota RPAC had another outstanding year. Most major investors ever. Let's build on that- move \$99.00 club members to \$250.00- \$250.00 to \$500.00- \$500.00 to Major investors.

Speaking of major investors and other mover uppers-we are applying for a grant, to be used for cash etc. winners of a golf contest, you need not be a golfer in fact you will not even touch a club. Details will be coming soon.

Let's make 2014 a year to set the bar, not just high but out of sight.
