

Mr. Micheal Dunn spoke to us at the MIC forum. His message was directed at those involved in leadership and fund raising. He Dunn told us (sounds like a southern boy) if you are in leadership, you should lead by example. If you are a state or local officer, a committee chair, or even a committee member, you should set the pace for others.

State officers should be a major investors. The same goes for the State Committee Chairs.
(Local boards \$250.00 min.)

Would you hire Ma Kettle to be your housekeeper? I didn't think so--you would look for a professional cleaner!
