Minutes from the March 25, 2015 conference call were approved as presented. **M/S/C**

Local boards share of Technology resources: Local boards were encouraged to share technology resources. Minot – conducts classroom-style tech group sessions; Bismarck-Mandan – hosts 5-10 minute tech sessions at monthly membership lunch; Fargo-Moorhead – Board has a Tech Committee which meets quarterly. Technology training is held at each general membership meeting.

Local boards were encouraged to have a tech page on their websites. Members were encouraged to “like” the NDAR Facebook page.

Update from Local Boards on meeting Core Standards Tech element: Bismarck-Mandan, Williston, Grand Forks and Minot reported they have met the element. None of the boards indicated that they needed assistance from NDAR in meeting the standard.

REALTORS® Property Resource Member Benefit update: Discussion indicated limited use of RPR by local boards and members. Training is available to boards and agents through RPR.

Appy Hour and sharing of Apps: An Appy Hour session will be held this later this afternoon where useful apps will be shared. Useful apps can be sent to NDAR to be shared with membership. Chair Jamie gave an overview of safety apps.

Other Business: Discussion held about where the technology committee is going in the future and how it can assist the membership with technology-related issues. Suggestion was to hold a class on paperless real estate transactions from start to finish.

There being no other business, the meeting adjourned.

Respectfully submitted:

Jane Marum, Administrative and Membership Services Director and Jill Beck, CEO
