

# The Google Universe 2017

## The Cloud Computing Solution To The Ultimate Mobile Office

*Simple yet powerful (and free) apps to turn your PC and smartphone into a most effective resource for maintaining client relationships, productivity and social networking*

**April 10-13, 2017 (Fargo, Grand Forks, Minot, Bismarck)**

(6 hours ND Continuing Education)

(6 hours MN Continuing Education)

\*Both CE submitted & pending approval

Google, which is best known for its most intuitive Internet search engine, has provided the public with some innovative online tools that allow any mobile professional, especially entrepreneurs an unprecedented access to information, documents, and a customized business presence online, accessible by a connected smartphone, tablet device or computer. This is an extraordinary opportunity for Agents to learn about the free applications developed by Google, and how best to implement them as part of their mobile business strategy.

**\*Note: Cell phone, laptop, or tablet are required for class**

G. William James is one of the leading training professionals for handheld computing and mobile technology in the United States for retail, medicine, sales, business and real estate.

A sales trainer and seminar presenter since 1986, thousands have heard his enthusiastic yet real-life approach to time management and sales excellence. James was an early user of PDA's, is devoted to handheld computing, and has built his career on the technology. In 2003 he began teaching smartphones as well, and today teaches all platforms and devices on the Android, Apple iPad and iPhone, Blackberry, and Windows Mobile operating systems.

Among REALTORS®, James is internationally recognized for teaching the smartphone and tablet technology as the ultimate REALTOR® tools. His workshops emphasize the ease-of-use and intrinsic value of smartphone for the sales, consulting and managing professional. He is a contributor to Realty Times, Illinois REALTOR®, Michigan REALTOR®, New Jersey REALTOR®, and Texas REALTOR® Magazines on PDA's, smartphones, and mobile technology.
