Website Update Task Force

Phone conference Meeting

April 18, 2017 2:00 p.m.

Present: Shane Cullen, Chair; Amber Carlton; Jamie McLean

Absent: none

Staff Liaison: Jane Marum, Robyn O’Gorman

Shane Cullen, Chair, called the meeting to order. Welcome and introductions were made.

The group reviewed the sample web sites designed by Luke Graner for home page update ideas. The group would like to incorporate a slide show showing REALTORS® in action, a members-only login, a darker background with some kind of texture to it and the site needs to be user friendly so that Robyn can easily make changes to it.

Luke’s estimate for the redesign was reviewed.

A motion was made to recommend to the Cyber Alliance Committee to approve up to \$2500.00 to update the NDAR home page. M/S/C

Action plan: Shane will contact Luke to come up with a mock up using the ideas above to present to the BOD next week. Jane will email the Cyber Alliance Committee for an email vote on the above recommendation.

Respectfully Submitted,

Jane Marum, Staff Liaison
