Inside the Marketplace

Members Health Insurance Exchange

A members-only major medical health insurance exchange providing a robust selection of ACA-compliant individual major medical health insurance plans from nationally recognized insurance carriers.

Shop for qualified health plans on both NAR's private health insurance exchange and through the public/government health insurance exchange. Based on the demographic and geographic information you provide, the Marketplace quoting system can provide a quick estimate to determine if you may qualify for a subsidy/tax credit.

SMART Short Term Medical

An affordable short-term medical policy that can last from 30 days to six months.

NOTE: Smart Short Term Medical plans are not major medical policies and do not meet the mandated coverage necessary to avoid penalty under the Affordable Care Act.

MEMBERS TeleHealthSM

A telemedicine service plan providing 24/7/365 access to MDLIVE, a network of more than 2,300 U.S. board-certified physicians who can diagnose and recommend treatment for routine conditions such as cold, fever, allergies, infections, flu and more. Prescriptions can also be written, where appropriate. Accessible through telephone, smartphone app, web chat or email, it's a new approach to health care. Members TeleHealth can help avoid long waits to see the doctor and eliminates the cost associated with potentially unnecessary visits to the ER or Urgent Care.

REALTORS[®] Vision Insurance

National vision plans designed exclusively for NAR members and their families. There are two guarantee issue group plans: a PPO option and a non-PPO option; both include annual eye exam benefits and savings on frames, lenses and contact lenses.

Members Supplemental Health Plans

Supplemental plans are designed to be used in conjunction with major medical plans that have high out-of-pocket costs to help limit health care expenses. Plans include REALTORS® Core Health and Accident Deductible Protection.

NOTE: Supplemental plans are not major medical policies and do not meet the mandated coverage necessary when used alone to avoid penalty under the Affordable Care Act.

REALTORS[®] Dental Insurance

National dental plans designed exclusively for NAR members and their families. There is a range of plans to choose from, with options that include coverage for preventative, basic and major dental expenses with the dentist of your choice. See an in-network dentist for PPO savings.
