## **C2EX Challenge Info!**

In order to be active in C2EX and qualify for a drawing you will need to complete 1 full Learning module along with the corresponding module in the Tasks tab. Even though this might seem like a lot to do, it really can be done in only a few minutes—read on...

1. Go to C2EX.realtor and log in with your NAR log in information, then you'll see this:

Filter your tasks to show only those for the learning module you just competed. In here, you can also see the Tasks needed to complete the entire endorsement, they are marked Required for Endorsement

The others are to increase your knowledge and available resources provided in the program.

4. Once you have completed both sections you can check to make sure you have 1 full module completed therefore qualifying you for the first drawing if you complete this by September 1. To check your progress on this task and others you can click on the Dashboard and See All by the Achievements at the top of the page. Below is the color they will turn when they are completed.

If they are in progress, they will look like:

Please let us know if you have any questions. Let's work at putting ND on the map for great participation. And before you say...you don't have time, or I will look at it later.... please know that most modules are minutes long. You can even ad the website as a shortcut on your smartphone so you can do it while you are waiting for showings or other appointments.

So, let's get to work!!!
