

NDAR RPAC Trustee Meeting
April 29, 2020 via Zoom at 9:30 am

The meeting was called to order at 9:30 am by Chairman Cymbauluk. All members present, in addition, Jill Beck and Lisa Feldner.

The minutes of February 27, 2020 were approved.

The committee discussed the purpose of the interviews and the desired result. Past practice for the trustees is to interview and endorse a candidate only after the primary election. After discussion, the committee chose to continue the practice of endorsing after the primary.

The email vote sent on April 7, 2020 was affirmed by the committee. Discussion centered around the amount of money that could be requested and what the process would be.

Realtor candidates: The committee discussed the candidates running for office who are NDAR members or associate members.

Rep. Thomas Beadle was interviewed at 10:00 am.

Rep. Dan Johnston was interviewed at 11:00 am

Following the two interviews, the committee discussed the merits of both candidates. The committee chose to stay with existing practice of endorsing a candidate after the primary and after the interviews at the State Fair. Louser moved and Lunski seconded not to provide any funding at this time. Motion carried unanimously.

Karin and Jill talked about the three videos that are being done for NDAR. One of the videos is for RPAC and can be used now and in the future. Some changes may be made to talk about the impact recent events have caused. Karin would like to push the videos back a bit because she thinks it's a bit too soon following the pandemic. She asked for others' opinions. The consensus was to wait until possibly September so there is a better idea of what the industry looks like.

July 18th at the State Fair in Minot will be the next meeting.
