

Summer Education

Approved for 3 CE Hours & covers the Mandatory Topic for 2025 of vacant property and other real estate scams and frauds.

“Wire and Email Fraud, Vacant Land, Basics of Wholesaling, & Long-term Contracts”

This course is designed to guide real estate professionals in working with their buyers, sellers, lenders and title companies to verify and identify any potential wire fraud or seller/property fraud. This course provides an overview for a better understanding of title insurance and its importance and protection for the buyer and lender of the transaction. The course will also offer insight into doing business in any economic market and finding buyers and sellers in a down market, and ways to be innovative in converting renters to buyer. Discussion on overcoming obstacles like interest rates, low inventory, and dealing with external issues is also on tap during this course.
