## 1. How many hours of continuing education (CE) do I have to take?

Licensees with active licenses need a minimum of 12 hours of approved continuing education hours for each renewal period.

Brokers & Brokers Associates need a minimum of 12 hours of approved continuing education hours for each renewal period.

Please see the ND Real Estate Commission website at [www.realestatend.org](http://www.realestatend.org) for information on continuing education if you plan to activate an inactive license or were first-time licensed within the past 12 months, and for a list of all approved continuing education courses.

**Note: CE hours must be taken between November 16, 2025, and November 15, 2026 to renew your license as active for 2027.**

## 2. Can I take on-line/correspondence courses? Is there a maximum number of hours?

Licensees can take approved online/virtual live, classroom, or hybrid courses for continuing education hours. There is no restriction on the number of CE hours that can be taken.

## 3. If I take more CE hours than is required, can I carry the extra hours over to the next continuing education cycle.

Continuing education hours cannot be carried over from one CE cycle to the next.

## 4. Who is responsible for tracking my continuing education hours?

**YOU ARE.** The ND Real Estate Commission requires CE hours for license renewal. Course sponsors are responsible for maintaining copies of CE slips for the courses they sponsor. As a service to its members, the NDAR maintains copies of CE slips of the classes sponsored by NDAR, some local boards, and some of the other sponsoring agencies. However, licensees bear the responsibility for tracking the total number of CE hours they have accrued and submitting proof of CE attendance to their Broker. Licensees may be audited on verification of CE by the ND Real Estate Commission. [Click here](#) for a form to track your CE.

## 5. How do I find out about Continuing Education available to me?

The ND Association of REALTORS®, other Boards of REALTORS®, and other affiliated entities provide continuing education opportunities for members (non-member licensees may attend for a higher registration fee). Courses are announced in newsletters, emails to members, information shared with brokers.
